## Mount Elizabeth Campus

Mr Yong Yih Ming  
Chief Operating Officer, IHH Healthcare Singapore  
Chief Executive Officer, Mount Elizabeth Hospital

Dear Colleagues

Beyond the improvement works within Mount Elizabeth Hospital, Project Renaissance also saw the commencement and development of our Mount Elizabeth Campus. Beyond officially expanding our service footprint for our patients to adjacent buildings, it not only allows for a more sustainable growth environment for all, but also avails more space within the hospital to serve more inpatients and higher intensity services.

Mr Yong Yih Ming  
Chief Operating Officer, IHH Healthcare Singapore  
Chief Executive Officer, Mount Elizabeth Hospital

In this edition, we will revisit and present both our completed and legacy assets that define the initial campus footprint for the Mount Elizabeth community:

Mount Elizabeth  
@ The Heeren

Mount Elizabeth  
@ Paragon & Lucky Plaza

## Refreshing Mount Elizabeth

An institution steeped in history & legacy of medical excellence. Evolving our capabilities and reinforcing trust.

MOUNT ELIZABETH CAMPUS

# MOUNT ELIZABETH @HEEREN

Located at the major cross junction of Orchard Road and Cairnhill Road, The Heeren is an iconic building along the famous stretch of Singapore's premier shopping belt and now houses Mount Elizabeth Hospital's first Ambulatory Care Centre (ACC).

Mount Elizabeth Hospital occupies 9,160 square feet at The Heeren and houses two of our leading clinical services.

# HAEMATOLOGY & STEM CELL TRANSPLANT CENTRE (HASCTC)

Helmed by Dr Patrick Tan, the HASCTC team has touched over 4000 lives since its commencement in 2004. This purpose-built centre offers a much more conducive environment of care for our patients with more privacy, comfort and modern equipment.

## MEDICAL SUITES

We have also provided for 2 medical suites for our doctors to practice in especially those in the O&G specialty who may find adjacency to a fertility centre complementary for them. Doctors who are interested in these spaces can reach out to me or my team for more information.

# MOUNT ELIZABETH FERTILITY CENTRE (MEFC)

The Mount Elizabeth Fertility Centre (MEFC) has supported our network of 40 fertility doctors to care for their patients for over 36 years on assisted reproduction. Egg freezing is now also a key service for our eligible patients.

This new centre was developed with the latest regulatory framework in mind to offer a much more personalised, private, comfortable, safe and efficient environment of care.
